COVER PHOTO

THE PAVILION

The new pavilion behind the Fire Station was started in May of 1991 and officially opened at the firemen's barbecue in September. Built with donated funds and labor (Fire Company members and townspeople) it provides a covered open air sace for functions such as the barbecue, recreation committee summer youth program, and any other function which may need space out of the weather.

A very sincere thank you to all of the people who gave of their time, money and materials for this gift to the community. Please contact the Selectmen's Office if you wish to use this new facility for an event.

AUDITOR'S REPORT

Richmond, NH 03470
February 1992

The Board of Selectmen
Town of Richmond
Richmond, NH 03470

I herewith submit the report on the audit and examination of the Town of Richmond accounts and records for the fiscal year ended December 31, 1991. The enclosed financial statements are an integral part of this report and must be retained by the Town Clerk with other permanent Town records.

SCOPE OF AUDIT

The accounts and records of the Board of Selectmen, Treasurer, Tax Collector and Town Clerk were carefully verified and checked.

FINANCIAL STATEMENTS

1. The Statement of Appropriations and Expenditures shows a net unexpended balance of appropriations amounting to $20,924.76. In 1990 there was $20,540.27 in unexpended balances.
2. The Statement of Estimated and Actual Revenues shows a net revenue surplus of $80,857.22. In 1990 the net revenue surplus amounted to $77,407.09.
3. The Budget Summary indicated a net budget surplus of $66,413.46.
4. The Accounts of the Town Treasurer, Town Clerk, Tax Collector and the Fire Department Equipment Fund have been summerized and tabulated.

AUDIT PROCEDURES

The accounts and records of Town Officials charged with the receipt, disbursements and custody of public funds, as indicated by the scope of the audit, were inspected and verified to the best of my knowledge and ability. All town books and accounts were examined carefully and, where necessary, tests of certain records were made as part of the audit.

CERTIFICATION OF AUDIT

I hereby certify that I have examined and audited the accounts and records of the Town of Richmond, New Hampshire, for the fiscal year ending December 31, 1991. In my opinion, the attached balance sheets and

other statements of sources of revenue and expenditures truly represent the financial position of the Town of Richmond for this period.

THANKS

I sincerely thank the Town Clerk, Tax Collector, Town Treasurer, Selectmen and their Secretary for their kind help and cooperation during the examination of their books and records.

Respectfully submitted
Linda S. Herron
Auditor
Town of Richmond, NH

SELECTMEN'S REPORT

1991 saw many changes in our Town. We saw the Pavilion Building rise from the dreams of Bud Jacobson with the help of many volunteers, too numerous to mention. We saw the beavers in the pond below the Town Hall win another round with the State workers.

We completed the purchase of the computer and software for the Town Clerk. They are up and running and Dot is holding her own and becoming quite the hacker. The Selectmen's office now has it's own computer. Our plan is to have the checks printed by the computer each week. This will also make our bookkeeping and office accounting easier to track.

Norma and Dana spent many hours completing the tax map updates. The maps are now available for inspection at the Selectmen's office. There was a large influx of current use applications and we now have 14,675 acres in current use. The poor economy has kept the new home building permits and subdivision requests low for the second year in a row. There were 7 new home permits granted this year. Most requests were for additions and alterations. The drop in real estate values has prompted questions and concern regarding assessments. The selectmen expect our sales assessment ratio to rise to approximately 120%. While this looks bad on your tax bill it is really in your best interest provided the assessments are equitable. After the reevaluation last year everyone's assessment should be in line with everyone else's.

The food pantry at the Town Hall has been a big success this past year and many folks have benefited by it. The selectmen would like to thank all the people who have donated food and money to this worthy cause.

You will notice a change in the format of the details, budget, and some other accounting sections of the town report. This is due to a change at the State level in the accounting procedures. We know that it will appear different to some but it will make tracking expenses easier in the future.

We would like to take this opportunity to thank all our department heads and employees for all the hours (many unpaid) that they spent providing for the Town. We also want to thank the many volunteers to the various boards, committees, fire department and rescue squad.

POLICE DEPARTMENT REPORT

Police activity for this past year has shown another increase from last year. 640 incidents were reported this past year an increase of .19% from 1990. In addition, a series of circumstances caused a temporary upset within the police department's personnel. This came at a time when our already strained, part time police department, is in the midst of trying to deal with the increasing police services. We have since come to grips with our internal problems and put them behind us, without risk of interrupting your police services. This was accomplished with your understanding and patience, the remaining dedicated Richmond Officer's extra effort, and our neighbors in the Town of Winchester, from the residents, the Town Officials, and especially the Winchester Police Department. Thank you all for your support.

To help us with our duties, please remember to license your dog before May 1st. After that date, if the dog has not been licensed, by law, we must pick up the unlicensed dog and deliver him or her to the humane society. This is an extra unnecessary duty for us to perform and it is costly for all taxpayers.

PARK COMMITTEE REPORT

While the Park Committee limited itself to Maintenance and scheduling this year, the big news was the erection of the Pavilion by the special committee organized for that purpose. It is certainly a welcome addition.

The Pavilion has led many to suggest that the time has come to expand what the Park offers to the kids of Richmond. Besides the regular budget, there will be an article on the warrant to raise money for additional playground equipment.

At the present time, if you wish to reserve the ballfield or the park in general for a restricted purpose, call Mr. Webber at 239-6114. If you wish to reserve the Pavilion, contact the Selectmen. Otherwise, the entire park is open to all, at all times.

FIRE DEPARTMENT REPORT

Richmond enjoyed a fire safe 1991! Only one structure fire occurred resulting in minor damage due to quick action by the occupants and rapid notification of emergency personnel. Regretfully, the number of chimney fires remains high. Lots of us heat with wood. If you do and have a high efficiency wood stove, please be sure to keep your flue and chimney clean. Low velocity wood stoves conserve fuel while producing more heat, but are prone to create lots of chimney deposits. These soot and creosote deposits are excellent fuel and can produce a very hot and potentially serious fire. Inspect your chimney often and clean it whenever you see buildup occurring.

Your firefighters have made major improvements in the lighting and electrical power system on our utility vehicle and continue to improve the Civil Defense building garage which houses it. Our 4 bottle cascade air system is now mounted in the utility vehicle providing immediate refills for our individual breathing air tanks. As many of you have heard (literally) we have installed a new alarm siren, which was purchased for us by Richmond Emergency Management using non-Richmond funds. A major effort has commenced in refurbishing and upgrading our water supply system. This effort will continue through 1992 providing new water sources on Old Homestead Highway in North Richmond and on Whipple Hill.

There were 45 emergency calls in 1991. They were: (1) structure fire, (6) chimney fires, (22) rescue calls, (1) mutual aid, (3) mutual aid cover assignments, (2) motor vehicle (no injury) accidents, (4) miscellaneous calls, (5) brush/woods fires and (1) false alarm. Fire Department **volunteers gave** over 300 hours of their time in emergency service and nearly 5 times that amount in training and maintenance. We would like to take this opportunity to thank the members of the department, their spouses and families for these many hours given to Richmond through Fire Department service. Many thanks for a job well done.

Very Respectfully,
Leland Robbins, Chief
H. B. Shaw III, Deputy

TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER REPORT

1991 was a very dry and busy year for the New Hampshire Forest Fire Service as well as local fire departments due to our increase in the number of fires. Our three major causes of fires in 1991 were non-permit, children and smoking materials. 450 wildland fires in New Hampshire burned approximately 150 acres for an average fire size of one-third acre.

Primarily, the local fire department is responsible for extinguishing these fires. Keeping the average fire size this small is a tribute to early detection by citizens, our fire tower lookout system and the quick response of our trained local fire departments.

In every municipality, there is a Forest Fire Warden and several Deputy Wardens that are responsible for directing suppression action on wildland fires, working with other fire department members under the direction of the N.H. Forest Fire Service to make sure that all fire department members are properly trained and equipped for suppressing wildland fires. Forest Fire Wardens and Deputy Wardens receive specialized training each year, presented by the N.H. Forest Fire Service, to keep their skill level and knowledge of forest fire laws up to date.

The local Warden and selected Deputy Wardens are also responsible for issuing burning permits for any open burning that is to be done in their community. In New Hampshire, any open burning, except when the ground is completely covered with snow, requires a written fire permit prior to lighting the fire. Before doing any open burning, it is recommended that you contact your local fire department to see if a permit is required and to save your community the cost of sending fire equipment on a false alarm. Any person violating the permit law (RSA 224:27) shall be guilty of a misdemeanor.

Please help your local Warden and fire department by requesting a fire permit before kindling a fire, be understanding if they tell you it is not a safe day to burn and help keep New Hampshire green! Thank you for being fire safe.

Robert VanBrocklin

RESCUE SQUAD REPORT

The Richmond Rescue Squad relies on local volunteers to serve the Town as First Responders, Ambulance Attendants, and Emergency Medical Technicians (EMTs). The service provided by these volunteers requires sacrifice, dedication and skill. This is not a function dependent on one person: it requires the involvement of all members of the squad.

This has been a year of extensive training. Members have attended seminars at Cheshire Hospital on Pediatric Trauma, legal issues for the First Responders, and Cold Emergencies.

Herb Shaw and Coleen Walsh completed the EMT Course, while Dana Flanders and I completed the Red Cross Advanced First Aid Course held in Winchester. Monthly training and drills were also held with the neighboring Town of Fitzwilliam.

A C.P.R. course was offered to the Richmond Fire Department, with many successfully taking part in this training.

To be an active member of the Rescue Squad, certification is required in Red Cross Advanced First Aid (or EMT) and CPR. If you are interested in joining the Rescue Squad, contact any member to arrange for the necessary training.

We would like to extend our appreciation to the Winchester Ambulance Service "for always backing us up," as well as for the time spent training and sharing experiences with Richmond Rescue. Cooperation is the key!

The Rescue Squad has responded to a variety of calls from car accidents to medical emergencies to standby's at Fire Calls. We are working for the safety and well-being of the people of Richmond. Remember, if you have an emergency — call Mutual Aid — 352-1100. We are always on call.

CEMETERY TRUSTEES REPORT

After several years of efforts to get the Town's active cemeteries (Middletown, South and Earl Howard) into better condition, the Trustees

feel that the time has come to allocate some resources to cleaning up some of the smaller, inactive cemeteries. We have put money in the budget for 1992 to clean up Benson Cemetery. Next year, we can move on to another one.

Special activities in 1991 included fertilizing the Oak tree in Middletown Cemetery and the placement of naturalizing bulbs in the Earl Howard Cemetery, surrounding the shrubs planted there the year before. There were three burials this past year.

As a result of reviewing burial records, there appears to be some lots available in South Cemetery. These will be made available only to Richmond residents. The cost of a burial (opening and closing the grave) is currently $200 for an adult, $100 for a child and $75 for a cremation.

BEACH COMMITTEE REPORT

It was another wonderful summer of relaxation and recreation at the Richmond Town Beach. Many enjoyed the added loads of fine beach sand, the newly stained picnic tables, and the "Human" outhouse.

Our town beach is always busy. It is a favorite spot of someone's from sunrise to sunset. Mothers sharing ideas while kids build sand castles, teenagers swimming to the rocks, seniors doing laps, and those arriving from time at work to be refreshed from the calm of Cass Pond.

Books are read, letters are written, and concerns are shared by those at the Beach.

Only widespread community interest will continue to make our Town Beach a place to be enjoyed by all. If something occurs that needs attention, please make the Beach Committee aware of the situation.

In closing, many thanks to Fred and Walden for "doing things," to Jimmy Pearsall for raking sand, and to all the Beach folks for enjoying the Town Beach, and leaving the dog at home. THINK BEACH!

Patty Webber

CONSERVATION COMMISSION REPORT

Over the past year the work of the Richmond Conservation Commission and that of the Richmond Conservation Task Force have become increasingly similar. This is largely due to the phasing out of activity on the part of the Trust for New Hampshire Lands. It is also an expression of the fact that the Commission and the Task Force have always worked toward similar goals. For this reason, activities of both groups are covered by this report.

The Commission notes with great sadness the death of Mrs. Jennie B. Bennett, widow of our founding Chairman, Harry J. Bennett. The Bennett Easement on Brickyard Brook continues to be a fine example for what the Commission hopes will be many more such thoughtful investments in the Town's future. The last of Jennie Bennett's many contributions to the Town was her granting of an addition to the easement, to accommodate a parking area. The roughing-out of trails, installing an interpretive sign, and fencing of the parking lot (off Cross Roads) will be projects for the coming year.

Several generous donations in Mrs. Bennett's name have been received by the Commission, for inclusion in the Harry J. Bennett Memorial Fund. All such donations are welcome, and should be addressed to the Richmond Conservation Commission, in care of the Richmond Selectboard.

One of the highlights of the year was the completion of a licensing agreement between the Town and Tree Growers, Inc. to afford protection for the Richmond Soapstone Quarry on Parker Hill. The quarry (also known as the Harris Soapstone Quarry) is of considerable geological and historic interest. The license provides for public access and also limits the kinds of activities which can take place there. Although the license has a limited lifespan it is hoped that more permanent arrangements can be made in the future. The Commission and the Task Force extend their appreciation to Tree Growers' W. B. "Brownie" Parker for his continued interest in the Town and his generosity in helping to protect this important site.

Progress has been made on one of the Commission's long-term projects, which is to locate and mark the boundaries of all Town-owned land. Preliminary work has been completed on the Allen Lot, which contains the site of the old Picnic Grove. Additional Town property will be scheduled for work in the following months.

Negotiations are in progress with the Beaman Lumber Company concerning a planned harvest of parts of the red pine plantation within the Harry J. Bennett Town Forest. As previously approved by Town Meeting,

proceeds from this harvest will be applied to the management and improvement of the forest.

As in past years, the Commission has provided both volunteer and paid labor toward the upkeep of the Quaker Cemetery, and will continue to do so in the coming year.

One of the chartered purposes of the Harry J. Bennett Memorial Fund is to pay for the tuition of any qualified young person from Richmond, approved by the Conservation Commission, to attend the annual Youth Conservation Camp. This valuable educational experience is provided by the Society for the Protection of New Hampshire Forests, lasts one week, and is open to any student in grades eight through ten who is at least thirteen years old. This is an outstanding opportunity to learn about the environment, with plenty of time left over for recreation. Any qualified person interested in attending should contact any Commission member before May first.

Secretary

PLANNING BOARD REPORT

The Town of Richmond Planning Board had a relatively quiet year in 1991. The state of the economy became very evident in the few subdivision requests that came before the Board. The Board continued its twice a month meetings and devoted much needed time to re-evaluating the master plan, learning about soil intensity studies and researching new laws pertaining to gravel pits and wet lands. Litigation against the Board was settled in favor of the Board clarifying important issues of frontage and access.

The Town continued its membership in the Southwest Regional Planning Commission. The Commission has been an invaluable asset to the Town in providing technical assistance to the Town, and keeping it aware of both state and federal regulation changes.

This year the Town will be asked to respond to a questionnaire on the Master Plan for Richmond. Your responses will help to guide the Board on planning Richmond's future growth and development.

EMERGENCY MANAGEMENT REPORT

Richmond Emergency Management (C.D.) continued upgrading and testing its Radiological Response Plan this year. Richmond's proximity to Vermont Yankee dictates that we have such a plan in place in the event of a radiological emergency at the plant. Richmond tested its response plan three times this year. It was tested twice on the state level and once on the federal level by The Federal Emergency Management Authority (FEMA). In each test Richmond's Fire, Rescue and Police performed their responsibilities very successfully.

Additionally, Richmond residents benefited substantially from equipment provided through Vermont Yankee for the implementation of our Radiological Response Plan. Richmond also benefited from its participation in the federal EMA funding program for Emergency Management Operations. I would like to thank and commend the Fire, Rescue and Police for their dedication and professionalism in the training exercises they participated in this year.

RECREATION COMMITTEE REPORT

Hello everyone! Once again we had a busy funfilled year. It started off with the annual "Easter Egg Hunt" complete with the Easter Bunny herself. She handed out goodies to all the wonderful children of Richmond and even stayed around for the egg hunt that was enjoyed by all.

Over forty children participated in Camp Takodah's Swim Program under the watchful eye of Ken Klatka, better known as "Kingfish" to all the children. He stresses the importance of learning how to swim as well as using the buddy system while in the water. Bruce Holloway and J.E.F. Craig worked with us to coordinate this program.

This year's day camp was directed by David Matteson, a third grade teacher at Mt. Caesar, and Nancy Frazier, a first grade teacher at Mt. Caesar. Their patience and understanding held the attention of over forty-five children eager for their next activity which included a trip to the Friendly Farm, a dairy farm, and even miniature golf. The highlight of the week was "Family Night" where everyone had their fill of homecooked food, including ice cream. The parents delighted in seeing the children sing and dance, participate in races, and if they were lucky, get to experience the thrill of a water balloon toss. Special thanks go out to the Smith family for making all the delicous ice cream we enjoyed and to Pam Goodell for her basket weaving instruction.

The Senior Citizens were invited to "Family Night" because we cancelled the Senior Citizens Banquet, usually held earlier, due to lack of participation.

This year's Labor Day Parade included a float decorated by the recreation committee members and adorned with our own Brownies and Girl Scouts. Leading the way were the bright red fire trucks, followed by horse women and men, clowns, campers from Shir-Roy Campground, and of course, all the kids who rode their bicycles, skateboards, or rollerblades. Special thanks go out to Gary Beaman for the use of his hay wagon and to Karen Zitta for making the clown costumes. During the Fireman's Barbeque there were games for the kids to enjoy and we hope to make this an added annual event.

Last, but not least, was the Family Halloween Party which was held at our beautiful new Pavillion. We invited parents, grandparents, aunts and uncles to this event to enjoy the costumes, games, food, and the bonfire. Everyone had a good time and hopefully we will have good weather next year to do this again.

If you have a special skill or talent that you would like to share please contact a committee member.

Posters announcing our special events will be put up at Four Corners Store, Veteran's Hall, Library, and the Town Hall. In the spring we will send out a schedule of events listing all dates as well as registration forms.

MONADNOCK FAMILY SERVICES

Once again, Monadnock Family Services wishes to request an appropriation from the Town of Richmond to help support the mental health services we provide its residents. I therefore wish to submit the enclosed warrant article for presentation at the 1992 Town Meeting.

The amount of the proposed appropriation is based on two factors. First, the Richmond population "estimate" by the New Hampshire Office of State Planning as of April 1, 1990 is 877. Second, our Board of Directors

has once again decided to ask for $1.00 per capita from all the 38 towns we serve in this area of New Hampshire.

As always, I'd like to present information to support our request. Unfortunately, what follows only covers the nine-month period from July 1, 1990 through March 31, 1991, rather than a full twelve months. Due to an ongoing conversion of our computer system, up-to-date statistical information is not currently available. In any case, I think the following considerations validate the continuing need for the kinds of services we provide. During the period cited:

- Monadnock Family Services served the mental health needs of 20 residents of Richmond.
- The services provided totaled 702 hours of treatment.
- Four of those people were uninsured; one was a Medicaid recipient.
- Half of those served were in the "mid-life" age range.

As I'm sure you know, the cost of providing these badly needed services continues to rise as we also adjust to cutbacks in financial assisstance from the state.

I hope the Town of Richmond will once again decide to give us the support we need.

Sincerely,
Andrew E. Gordon,
M.A.C.P.
Program Director

ROAD AGENT'S REPORT

Grading of roads began on April 22 as the roads dried out fairly early this year. In October Whipple, Sprague, and parts of Turnpike, Lang, Bullock, Tully, Martin and Morgan Roads were graded again. A 36" culvert was installed on Lang Road replacing the old stone culvert that had started to crumble. Crushed gravel was spread on Martin, Morgan, Whipple, Turnpike, and Sprague Roads.

Cement and stone work was done on Mill Road Bridge. 3000 cubic yards of gravel was crushed at Martins pit. Culverts, turnouts, ditches were cleaned a number of times this year due to the heavy rains.

New pressure treated planks were put on the bridge on Turnpike Road. Brush was cut on Taylor, Bullock, Mill, Sprague, Pond Woods, part of Fish Hatchery and Whipple Hill Roads.

Brush, Culvert, and Ditch work was done on the Rabbit Hollow Road with Winchester trucking in gravel. 450 tons of hot top paving was done this year on Lang Road entrance to Rt. 119, Fish Hatchery Road entrance to Rt. 32, a stretch on Fish Hatchery Road and 2 stretches by Sandy Pond.

LIBRARIAN'S REPORT

This past year has been a very productive one for our library. Our circulation is up again this year and we see more and more of our young people checking out books.

We've added to our reference/non-fiction section and I've seen a tremendous increase in juvenile activity in that section

The library is branching out into different areas and offering several new non-paper items. We have many new video tapes, CDs, Cassette-books; tapes, puzzles, and almost any magazine that you would like to find in a library.

Our Read-A-Thon was again a huge success this past summer. 86 children signed up and most finished. For a town our size that number is just amazing.

I want to thank all of our supporters that continue to work so faithfully to make our library such a wonderful asset to our residents.

We will continue to offer a story hour once every 3 or 4 months. We have a very special one coming up the end of January.

Stop in soon to find your favorite best seller on our shelves.

Our hours are: Tuesday.....2:00 - 8:00
Saturday.....9:00 - 1:00

LIBRARY TRUSTEES REPORT

In preparing this report for you, we needed to look back at the activities for 1991-92, and we hope you will feel as proud as we do of the continued growth of our library.

Here are some of the activities and decisions made during this past year:

- to purchase and implement a new card file system in compliance with New Hampshire's RSA,
- to keep ahead of needed maintenance and upkeep with painting the exterior of the library and tending to rafter repair work,
- to support various promotional activities recommended and put together by our librarian, i.e. story hours, summer reading programs,

- to support decisions to continually upgrade juvenile and adult reference materials,
- to support the continuation of educational courses for our librarian to attain her certification in Library Techniques Program,
- to support the decision to purchase a bookdrop to protect our book investments (books no longer are priced at $10-$12.50; many books are over $20),
- to support the need to replace obsolete and rundown equipment to eliminate fruitless & costly repairs, i.e. typewriter, copier, vacuum cleaner. (All purchases were made after much research and price comparisons.)

We were fortunate (with Desert Storm) that our fuel and electrical expenses were not as high as we anticipated. Wherever possible expenses were kept to a minimum, so that resources could go toward books and programs for the library. Throughout the year we had several private donations and gifts given to the library as well as proceeds raised by the "Friends of the Library" which were ear-marked for special purchases and programs. We feel good about what the Richmond Town Library offers to its people, and without your continued, strong support and patronage, this might not be possible. Feel proud of what you(we) have, and we together with our librarian thank you for your generosity in time and donations.

HOME HEALTH CARE & COMMUNITY SERVICES

In 1991, Home Health Care and Community Services continued to provide home care and community services to the residents of Richmond. The following information represents a projection of Home Health Care and Community Services' activities in your community in 1991. The projection is based on actual services provided from January through September 1991 and an estimate of usage during October, November and December.

SERVICE REPORT

Services Offered	Services Provided	Services Supported Partially or Totally By The Town
Nursing	108 Visits	1 Visit
Child Health Nursing	1 Visit	1 Visit
Physical Therapy	27 Visits	6 Visits
Home Health Aide	69 Visit	0 Visit
Child Health Program	1 Child	1 Child

Total unduplicated residents served: 10

In addition to the above listed activities, regularly scheduled blood pressure clinics, child health clinics, telephone and consultations were made available to your residents throughout the year. Town funding, in part, supported these additional services.

FINANCIAL REPORT

The actual cost of all services provided in 1991 with all funding sources is projected to be $13,561.00

The total cost of services provided for a partial fee, or at no charge to residents of Richmond is projected to be $1,402.00.

For 1992, we recommend an appropriation of $3,000.00 to continue home care services at the current level.

Thank you for your consideration.

THE CHILDREN'S ROOM

The Children's Room at the Richmond Public Library was built in 1990 with all donated funds (no tax dollars used). Approximately $25,000 was given by many individuals for the project. Located at the rear (north side) of the historic schoolhouse part of the library, this addition provides children with a "place of their own" and illustrates once more the interest of many people who realize the importance of a growing population of young readers.

Thank you to all of the many contributors, the Friends of the Lbirary (who saved for many years for this), the Trustees and the volunteers for building and completely furnishing a project that will serve the community for many a new generation.

A WORD ABOUT VOLUNTEERING

One might easily say of the Community of Richmond that it is a very caring and sharing, civic minded one. Certainly the hours of "free labor" and donations of money have been many in the recent past. As new people come into town they are warmly invited to join in the volunteering spirit which exists here and which sharply reduces the costs in creation of facilities, services, and "things we wish to have" in our town. Young and old alike have in the past and can in the future join the many who are working so hard and contributing to so many worthwhile causes. So if you have a particular interest in life, there is a place for you in Richmond.

Please consider sharing by volunteering. It will make a great impact on your life and that of the community. Thank you for taking the time to care.
